EZ TOUCH MECHANISMS

The mechanisms are now available from stock!

Sizes:

D-shape: 148-2 rings / 297-4 rings / 225-7 rings / 300-9 rings

R-shape: 225-7 rings and 300-9 rings

The 7 and 9 rings EZ touch mechanisms can be used as an alternative for the traditional Multo rings

Advantages of the EZ-touch mechanisms:

- User-friendly - Open easily and comfortably
- Save Time and Enhance Efficiency - Open with one hand only; other hand can handle other things freely at the same time
- Flat Plastic Button - Misaligned or longer papers can lay flat
- Built-in Lock Mechanism - Locked automatically when closed
- Enhanced Safety - Fingers will not be hurt by closing meshes as the tension force is well distributed in this unique design
- Colour Matching—choices of colours to match with your files
- Reduce nickel allergy—plastic boosters reduces risks of nickel allergy

SAMPLES OF THE EZ-TOUCH MECHANISMS ARE AVAILABLE ON REQUEST.
